

## Program

### Stryker Gamma3 and T2 Locking Nailing courses for surgeons

## Course Venue & Dates

April 6th & 7th, 2017 – Strasbourg, France

## Course Chair

Dr. Gilbert TAGLANG, Univ. Hospital Strasbourg  
*Guest speaker : Prof. Giorgio Maria CALORI*  
University of Milan

## Course Objectives

Upon completion of this course, the surgeon in training should be able to:

- Learn to treat and manage unique and challenging trauma injuries
- Discover new techniques and knowledge for the treatment of trauma fracture care
- Demonstrate a greater appreciation of reduction techniques relevant to proper anatomical alignment
- Demonstrate the proper use of percutaneous targeting systems for minimally invasive I.M. nailing systems
- Demonstrate advanced nailing techniques on difficult long bone fractures
